

BPW Central Coast

Taking action for women's equality- at work, on boards, in leadership

About BPW

Through our meetings and events, newsletters, personal and professional development programs and other initiatives, we connect and empower women who aspire to do more. Our community includes women in a variety of organizations – from small and medium-sized businesses through to large multinational corporations and from the public and non-profit sectors, as well as women no longer in paid work, influential women leaders, young career women and savvy entrepreneurs running their own show. Our members bring a depth and breadth of expertise and experience; they range in age from 15 to 80 and represent a wide variety of professions, trades and industries.

How to Get Involved

We meet at least monthly for a dinner meeting with interesting speakers. This is a good place to start. Our monthly newsletter and web-site www.bpw.com.au/central-coast keeps you update on what's happening at our club and up-coming events. You can register for all events on-line.

A club for women run by women

Join a global network of lively and interesting women who champion the right of women to participate at all levels in the world of work.

We make real differences in women's lives by creating awareness, leading debate and driving change.

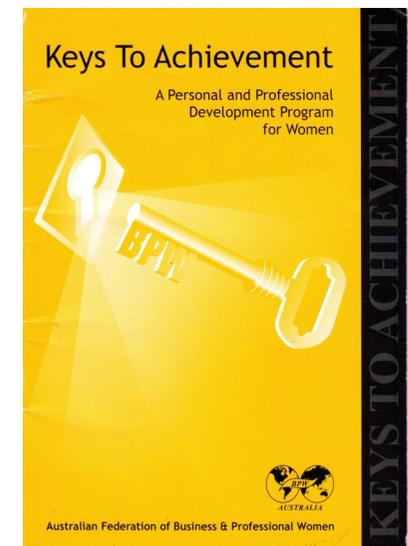

And we network, learn and have fun along the way.
