

BPW WA 2023

International Women's Day

Join Us in Celebrating Women

Every year worldwide, we celebrate women's achievements and in 100 countries, BPW women share a candle-lighting ceremony. We enjoy just being together to learn from our wonderful speakers' stories, to stand as one in support of women and to enjoy a splendid breakfast on the banks of the Swan River.

Being included, and belonging, feels good. We embrace equity to forge harmony and unity, and to help drive success for all. Equality is the goal, and equity is the means to get there. Through equity, we can reach equality.. #EmbraceEquity.
