# BPW Central Coast

*Taking action for women's equality- at work, on boards, in leadership*

BPW Central Coast is committed to the recognition and reward of women who make a difference to the lives of other women living and working on the Central Coast. The Woman of the Year award is just one program that we are involved in that seeks to promote, empower and improve the status of women on the Central Coast.

Our membership is diverse and includes women from all types of businesses, professions and community vocations. The Woman of the Year Award in 2016 will include 3 awards:

- ◇ Entrepreneur Award
- ◇ Empowerment Award
- ◇ Young Woman of The Year

We are pleased to extend these awards to women aged over 18 years both living and working or volunteering on the Central Coast of NSW. Members and relatives of BPW Central Coast cannot be nominated.

The awards will be judged by an independent panel and the winners will not be known to BPW Central Coast until the awards night at Mingara on 27 February 2015

Christine Levis  
President
