Renewing Your BPW Australia Membership

To our Valued BPW Member,

It's time to renew your BPW Australia membership.

The past year has been a year like no other, and yet, our members have not only remained connected, we have grown our connections.

We've seen results from our National Advocacy, new Club programs, more members completing their Keys 2 Achievement, and a stronger connection to BPW International.

Internationally and nationally, we've seen women-led industries both hardest hit, and hardest-worked because of a global pandemic, and we've seen a corresponding increase in the voice of women being raised.

Members like you - women who do - women who want to uplift, encourage and empower other women, have been instrumental in sharing these voices, and taking action for change.

This year is a National Conference year - our biannual opportunity to set our key agenda. To ensure your club is able to vote, or to nominate candidates to the National Executive, [renew now](#).

We're part of one of the oldest women's groups in the world, which continues to grow and find new ways to improve the way the world works - but the work isn't done yet - the figures about participation and pay gaps show that - and we can't do it without you.

As a member, you can contribute to the learning, advocate for change, and watch other women grow because of your input.

And you'll make friends and networks along the way.

And if BPW membership is right for you, encourage others to join. The road in front of us is not complete - we need more like-minded women with us. We're not alone; the outpouring of emotion around the March4Justice shows that.

Recognising the different situations we find ourselves in, the Board has not increased the fees this year, they remain at \$225, and we also have Concessional and hardship policies to help you maintain your connection. Just reach out to Kate and ask membership@bpw.com.au for more details.

Please take the time to click the link and [renew now](#) - and continue our BPW journey.
